hero flavours

chocolate:

Our rich Chocolate ice cream has a luxurious flavour and texture, created with the finest Callebaut Belgian chocolate.

french vanilla:

This elegant ice cream won the Champion Ice Cream Trophy at the 2007 Australian Grand Dairy Awards. It has an unmistakably velvety flavor and mouthfeel and is created with vanilla bean extract imported direct and fresh from Madagascar.

raspberry:

Our champion Raspberry ice cream uses only the finest selection of berries from Snowline Fruits at Stanley and Jamieson Berries, both in north-east Victoria. A Champion in Melbourne and Sydney.

toasted honey & walnut:

The sweet tooth's favourite, combining oven-toasted Violet Town walnut with smoked Mudgegonga Stringy Bark honey. A Champion at Melbourne Fine Food.

delicious selections

coconut:

The colour is subtle, but once you take a spoonful, the flavour and toasty crunch are unmistakably coconut. Second to the French Vanilla in the 2007 Australian Grand Dairy Awards.

espresso:

The renowned Djilma Mocha Fair Trade coffee beans from Ethiopia are freshly ground and mixed into this ice cream, giving it a real coffee-lovers zap.

fig:

The unique creamy flavour of this ice cream contrasts beautifully with the taste and crunchy sensation of the fig seeds. A champion in Sydney!

ginger:

Ginger from Buderim gives this Gold Medal-winning ice cream a clean exciting flavour. If you are a ginger lover you will adore this ice cream.

lemon:

A very refreshing ice cream using the fresh juice and zest of lemons straight from our friends at Tranquill Hills, Cobram.

licorice:

Green Grove Organic Licorice from Junee is the secret to this smooth, full flavoured ice cream. As you might imagine it is an unusual shade because we do not add colours to our ice cream. A multi champion winner, culmination in the Australian Grand Champion Dairy product at the 2010 Australian Grand Dairy Awards.

spice:

A smooth blend of spices; cinnamon, nutmeg, allspice and cloves. The perfect partner to any cheerful winter dessert, fresh fruit, or fantastic served on its own!
